News Flash June 21, 2016 at 7:30 pm.

At approximately this time I became your President of Space City Ski and Adventure Club. Unfortunately, George Lopez had to resign due to personal reasons.

After being a member of Space City for over twenty years and saying no, no, no, it finally happened.

Other than saying YES, here is a short resume of my career with Space City.

Trip Leader - More than 5 trips

Director of Trips - Several years

Vice President of Publications - 2 Years

Treasurer - 2 years

Board of Directors - too many years to count or remember

I am looking forward to carrying on for George leading the club. Chuck Pena is putting together a fantastic Ski Season for all of us. For those of you who do not know, all of the work for next year's trips is being worked on as you read this. We have to be ready by mid-July to be able to sell the trips to you. The ex-com, board and trip leaders do not get the summer off! All we ask of you is to practice your naked snow dance on the roof at midnight to assist in getting us great snow for these trips!!

Just remember that this is your club and it is run by volunteers. If you have a passion for something, run an activity to support your passion. It is a fantastic feeling sharing your passion with others. It can be a free activity or a fee based one. Houston has made impressive improvement in just the walking trails and biking trails in Houston to keep us in shape for all of our activities. So contact Jo Barrie at

Activities@spacecity.org and let her know what you would like to do, and when, so we can all participate with you.

Bill Bomberger,
President

Countdown to Liftoff

Hi everybody! I hope everybody had a great Independence Day weekend and are getting ready for a great 2017 ski season. As you read this, I know 51 lucky members are getting ready for a great trip to my favorite mountain town, Whitefish, Mt. I know Dennis Hughes and Max Langley have a great week planned for you.

No need to feel left out, Leyla Ozkardesh and Rita Cardenas still have 3 or 4 land only spots left on the Danube Bike & Barge cruise down the beautiful Danube River. The trip is coming up soon! The boat departs on Sunday September 25th from Passau, Germany and returns for a Sunday October 2nd

flight back to Houston from the Munich Airport. Don't miss the boat, contact Leyla or Rita today.

Well we have been working all summer to get these great trips ready for you at great prices. So I want to send a big thank you to everybody who pitched in. Below is the revised slate of trips with the TC and

ATCs that will be trying their best to make their trip the best you have ever taken. Prices and eye catching pictures are shown in the trip articles in this Annual Trip Edition of the Sitzmarke.

** Published prices are based on payment of cash or check. Information shown on this Trip Schedule is subject to change. Contact the Trip Coordinator (TC) or Assistant Trip Coordinator (ATC) for the most up-to-date information. PRICING: FULL packages include air, all transfers, and per person lodging based on double-occupancy. LAND ONLY packages do not include air. Published prices do not include baggage fees, equipment rentals or lift tickets, and are subject to change. All trip deposits can be made by check or by PayPal; however, final payment must be made by check or cash. Consult the TC for credit card payments which can be accepted with an added charge. Trips frequently have optional activities, such as a group dinner, or offer pre- and post-trip segments that are not reflected in the price published above. The TC is your source of information as to what is included in the package price and the cost of available options. Each trip has a different 'final payment' date -- that is the last day you can withdraw from the trip with only a \$30 penalty. After this date a penalty of up to 100% might be assessed. Refer to the club's Standing Rules 5.1-5.4 for the governing policies on trips, cancellations, refunds, etc. DEPOSITS: All trips require a per person deposit to make a reservation.

As you can see we have a great slate lined up and we hope you have been doing your midnight dances that Bill, our President requested. Bill & President in the same sentence, I bet many of you never thought that would happen.

As many of you know, we rolled out our new website in July and I'm happy to say it appears that it is going to be a great improvement for selling our trips this season. We have added a lot of required information into your user profile that will make registering for a trip or activity very easy. But to make sure you can register quickly you have to go to your user profile and add the required data. You do it once and you won't have to do it every time you sign-up for a trip.

We have gone back to our standard single trip price method. Your actions showed that a cash price is what most of you want. However, we still are allowing and prefer trip deposits to be paid on PayPal and as before there is no fee included for this convenience. The pricing system will not really change for most of you and for those that need that ability to pay final payment on PayPal we will process that manually for a small extra charge. To do this you must request this from the TC, who will get the process approved for you.

So I hope you like this special edition of the Sitzmarke and especially all the colorful trip articles. The team has put a lot hard work on preparing them. We are all looking forward to a great season and hope to see you all on several of these great trips.

Cheers,
Chuck Pena,
Vice President of Trips

Having a Blast

Greetings to All:

I hope everyone had a super summer and was able to join at least one of our well-attended water activities. A big thank you to Bil Cusack for coordinating our Kemah Sailing afternoon on the

beautiful Escapade. Thank you Margaret McCord for coordinating the Lake Conroe Pontoon Boat cruise and weekend at a very comfortable lake house. We learned that pontoon boats CAN take on water and that weight distribution is important! Ali Pethick got 20 of us on board for a morning of Stand Up Paddle boarding. Guess what? We were ALL able to stand up! It was a good workout, we had a good time and we will do this again! (need a Coordinator!)

I wish to express my personal gratitude to Stan and Linda Kuper for opening their pool and patio for our Annual Volunteer Appreciation Party in July. They are terrific hosts! If y'all know what's good for you, you should remember to thank Bruce Lowther and Robert Clements, too, for volunteering their time, sweat, and labor to cook us that delicious brisket, chicken, and pulled-pork beans.

This month we go indoors for our spirited bowling event on Sunday afternoon, August 7th. If you

haven't signed up yet, get on it!! We take ALL skill levels! Contact Activity Coordinator Larry Hord at 713-480-4396 for questions. Sign up at www.spacecity.org. Beat the heat, go bowling!

We started a dance class in April and each month since then the Club has been asked to "do it again!" so we are continuing East Coast Swing lessons on through August. In the future, if we find a larger dance space, we may also offer Salsa and/or Texas Two-Step classes! We will keep you posted.

The Astros are bringing it on! They have been performing well this year which makes it a great season to attend a game, and Marsha Lutz has the tickets for the September 9th game! Our group will be on the Mazda Club Level which offers a good view for a reasonable price of \$53 Members and \$56 NonMembers, AND that includes a \$15 power card good towards drinks, food, or merchandise. marsha.lutz@comcast.net. Sign up at www.spacecity.org.

YOU MAY NOT BE AWARE THAT summer is always an extremely busy time for your Club's Executive Committee (ExComm). We create a new budget, plan and approve new trips, and discuss a multitude of items that I won't bore you with. This summer we had another huge task to deal with. We transitioned to a new website! Please check it out and do not be afraid to use it to register and pay for activities. We expect some blips as we work out the kinks we didn't stumble on while testing the site, but all will get worked out and in the end it will save our volunteers time and make us more efficient.

So, here are the Top Ten Reasons you should register and pay for Activities online at www.spacecity.org:

10. We now have a "Forgot password?" link! Your login name is the email address you registered with our club. Click the "Forgot password" link the first time you log in or when you forget your password.

9. After bravely registering for an Activity, a confirmation will be automatically emailed to you to let you know you entered everything properly. Or not.

8. Registering online will eliminate those memory glitches. (*"Did I register and pay for this already?"*)

7. If you registered but did not pay, our website will remind you to do so. This makes the Volunteers giddy because WE do not have to remind everyone to pay. It can also save you from being Wait-Listed due to lack of payment!

6. You do not have to write a check. but you may if you feel the need.

5. You can pay by credit card via our PayPal link and you do NOT need a PayPal account to do it.

4. You can see who else is attending the event — -IF everyone registers online. (You can register online and still pay by check if you wish.) When everyone registers online it shows that people like the event and others will be more likely to join it!

3. Again, you will have the giddy gratitude of all club volunteers because you are saving US time.

2. Chuck Pena, who managed the bulk of this conversion, will know that all the time he spent on this was not in vain! (Buy him a beer if you really want to show your gratitude.)

1. You will feel good knowing you are contributing to the club's efficient operation! (well we're getting there)

LOOKING AHEAD, I am planning Fall and Winter events and I need volunteers! Lead an activity that you enjoy so others will also have something to look forward to! Could you host a Wine & Cheese Social at your home? How about a Games night? Theater outing? Kayaking the Bayou? Downtown Bar-Hops? What do you find fun? That may be the best activity for you to lead. Talk to Jo, VP of Activities, at 713-498-5570.

Until next month,

Jo Barrie,
VP of Activities

Start the New Year off right with your skier and boarder friends throughout Texas. We are going to Vail; don't be the one left out of this trip! Yes, there is plenty of groomed terrain, but some fun gnarly stuff too. This January trip is called Traditional for a good reason – it was the first TSC trip and it is still the biggest. The fun doesn't stop on the mountain as there will be lots of parties, après ski and general camaraderie with existing and new winter ski buddies from clubs throughout Texas.

THE RESORT: Offering more than 5,200 acres of skiable terrain, Vail provides fantastic slopes for all ski abilities with ample groomed trails and seven legendary Back Bowls. Vail Village and Lionshead are the two main lodging areas and they are connected by Vail's excellent free bus transportation system. We will be staying in the Lionshead

area. Vail is full of things to entertain you: shopping, dining, bars and other après nightlife options. Vail is an extraordinary winter vacation destination.

THE SKIING: Our planned ski activities are centered at Vail resort with an optional day at Beaver Creek. Vail lift tickets are also valid at Beaver Creek, Breckenridge, Keystone and Arapahoe Basin. Group discounted lift ticket prices are shown on the website. If you are certain to ski more than one Vail Resort destination this season, we recommend you purchase an Epic pass. See website for discount Epic pass offer from Gloria at Gloria@ski.com.

Trip Report - Fredericksburg

SCSC travelled to fabulous *Fredericksburg, the "Wine Capital of Texas"* for a fun-filled weekend of wine and activities last *Memorial Day Weekend (5/27-30)*! Some of our members elected to come in early on Friday night to maximize their weekend fun.

Deb Cini, our trip coordinator, **Nick Morrone, Betty and Bob Donellan, Robert Rowley, Pete and Terri Matheau, Stuart Traver** and others met for a German dinner and dancing to the local band at the busy Crossroads Bar! The place was hopping and the band played the best classic rock, country and some honky-tonk blues as well. **Cindy Moore, Mark Rosetta, David and Diane Gresco** and others went to Luckenbach to enjoy a swing dance at the local saloon. Regardless of what your dance preference was that night...we had a great kickoff to our weekend!

On Saturday morning we met the wine buses and Deb Cini, our trip coordinator, led us on a Wine Tour of four outstanding wineries, each with a different "flair":

Becker Winery, the first, was the biggest of the four and was located on a large estate with lavender flowers growing among the grapes. We were able to taste many of Becker's premier wines, some available in grocery stores, but many reserved for winery patrons only. The guided tour of Dr. Becker's

winery was interesting and fun. We enjoyed learning about the history of this great vineyard in the well-appointed wine room downstairs. Many bought bottles to bring home or share on our bus and at our party!

Torre Di Pietra Winery was our next destination and we got to enjoy "The Almost Patsy Cline Band" under the

tent as we sipped and two-stepped our way through a catered lunch. It was 'dancing with the stars' competition with Cindy and Mark and David and Diane and it seemed that most of our crew was reluctant to leave!

We were able to get to two more wineries to round out the day. They were complete opposites of one another: Messina Hoff, an older winery and well-known for their white wines, have provided wines for presidential dinners. "Fat Ass" - a new winery in town, had a young, hip vibe that was very informal and fun!

After returning to the hotel to rest up, we got ready for our big evening - the Hanger Dance at the airport Hanger Hotel! This annual event is a 1940's WWII USO - style dance in an old airplane Hanger! **Picture vintage 40's dresses, military uniforms and a big Tommy Dorsey/Glenn Miller style band!** Many of us wore costumes, you would

not believe the creativity. Great job to **Kate Kinard, Missy Adams, Leslie Taylor, the Donellans, the Greskos, Cindy and Mark, Gina Curet, Wanda Callahan** and all those who participated in the dress up event! We made quite a statement and a presence there!!

Sunday was a free day to shop in Fredericksburg, dine out on main street, attend the Crawfish festival or see the WWII museum. **John Burk** and his crew decided to hike Enchanted Rock and said it was fabulous! Sunday night, we got back together for an exciting Hot Tub

Party at the Fredericksburg Inn and everyone shared wine, snacked on lite bites and got crazy in the hot tub. What a great way to end our Memorial Day weekend!

Thanks to all who participated for making this truly a memorable second visit to Fredericksburg...can't wait for NEXT YEAR!!!
