From Mission Control

SCSC had a shopping extravaganza at our October meeting where ski and adventure used items were displayed and sold at our Ski Swap. I would like to say a big thank you to Craig Campbell for helping organize this event. We will continue the shopping extravaganza, in an even bigger way, at our November 9th meeting with our Sunshine Kids Silent Auction! We are now in crunch time. If you have something you would like to donate to the excellent cause to help kids with cancer, please contact Judy Schiro at jschiro1@comcast.net or me at president@spacecity.org, to fill out the donation form and get the item to Judy. We need to have all items and donation forms in advance so the bid sheets can be completed in advance. Jax Grill is located at 1613 Shepherd, Houston, TX 77007, just South of I-10. Eat dinner at Jax either before or after our short business meeting. Don't forget your check book and cash. There will also be the ability to pay via credit card.

Fill out a form and pledge to donate anything that you have, or made, that you might not be able to use, and that you think will sell, to help this worthy charity benefitting kids with cancer. Sift through your closet. Have you never used that purse sitting on the top shelf? Chances are you never will and it is just taking up space. Donate it instead and free up some valuable space! Ask your favorite restaurant, golfing venue, etc. to donate gift cards or certificates. Host a big dinner party or donate event tickets to a theatre production, ballet, or professional sporting event for which you have season tickets. Homemade crafts, jewelry and art are always popular. The possibilities are endless! You can download the donation form at [www.spacecity.org/About us/Forms and Applications/Donation Form](http://www.spacecity.org/About-us/Forms-and-Applications/Donation-Form). You will receive the applicable documentation for tax purposes.

In other news, we have a new Director of Publicity! Deb Cini was voted in on October 22nd. She will be working under Bobby Goel, V.P. of Marketing, leading our quest for new members through new events, publicity, contacting large oil company human resources departments, updating social media and Meetup.com. If you have an idea, or know of a great marketing opportunity for our club, please email Deb, and cc Bobby, for consideration. Their contact information is on the last page of the Sitzmarke.

Save the date of December 14th. That will be a special off site SCSC general meeting at Sun and Ski Sports located at 6100 Westheimer! They will be giving us special discount coupons to use that night only that will work on top of our normal 10% off, just in time for Christmas and ski trip shopping! We will have a fashion show (contact Cindy Moore ASAP if you would like to be a model) and Bob will do a boot fitting demo. But best of all, they will be providing FREE BEER AND WINE and some cheese and crackers to our members and guests!

I will see you on November 9th at Jax Grill and December 14th at Sun and Ski!

Cindy Moore,
President

Countdown to Liftoff

The calendar says its fall, the weather is starting to break, and it won't be long to turkey day. Can ski season be all that far away?

Indeed winter is coming so you better get ready to chase your dream on the snowy slopes. Pick a trip, pack your bag and get ready to gobble up the fun that skiing evokes.

Vail, Snowmass, Steamboat, and Lake Louise are already pretty stuffed. If you hold out for them you may get rebuffed. Quebec, Crested Butte, Sun Peaks and Copper can still serve plenty. So it's time to pile on the cranberries, scoop up the mash potatoes then pour on the gravy!

If skiing is no longer your sweet potato pie, you can still warm up to New Zealand, Whitefish, or the Danube for dessert no lie. Yes it's easy to secure a place at the table. You can sign up on line, by mail or in person if you are able.

So while I struggle to find more words to rhyme; I have to remind you that you are quickly running out of time. No time to procrastinate, delay or waiver. Make your trip deposit now. You will thank me later.

Getting fun trips together is far from easy. It keeps your TCs and ATCs incredibly busy. So here it is the first trip has not even left and we have to begin thinking of what we will do next. We need your help, your thoughts and evaluations in picking Space City's next year

destinations. So if you have some ideas you care to share. Send them to trips@spacecity.org and make us aware.

George Lopez,
VP of Trips

Having a Blast

Greetings to All!!!

Prost! Our Oktoberfest prevailed! Although it rained and rained and rained, 57 of us temporarily put rain matters aside to enjoy a smorgasbord of delicious German and Octoberish food and drink, Bavarian accordion music by Tim Janak Sr., and a professional polka dance demonstration by Etta Ervin and Tim Windrum. Despite the rain, rain, rain, this event went mostly as planned thanks to our terrific Activity Coordinator, Sandra Stalnacke, her dedicated helper and husband Paul Stalnacke, and our most accommodating site hosts Stan and Linda Kuper. Danke!

On to November ... November 5th is the requested rsvp date for "Pardon My Turkey"! Kay McKeough is hosting this party on Saturday, November 14th at her home on Mid Lane, inside the Loop. Her home will be outfitted for the holiday and she will be providing delicious hors d'oeuvres, Thanksgiving-related foods, dessert and wine, as well as a little turkey fun. \$27 members, \$30 Non-members. Contact Kay at kaymckeough@gmail.com.

Our very last Happy Hour of 2015 will be held Thursday, November 19th, on the beautiful covered patio at Sylvia's Enchilada Kitchen, Woodway/Voss location. You will find a nice, relaxing ambience and authentic Mexican food. I did not want to cheat you out of a December Happy Hour but the truth is between the dates of our club's Vail ski trip and the December holidays we had to schedule our December General Meeting and our Holiday Gala in the same week that we would normally hold happy hour, Monday, December 14th and Saturday, December 19th, respectively.

The antidote to the omitted December Happy Hour and the ensuing holiday madness is sure to be our annual Holiday Gala on Saturday, December 19th! We will be at Blue by Massa but blue will not be the mood! Whether you are single, coupled, Member, Non-member, love to dance or prefer to just enjoy the music and mix and mingle, this event is for everyone! Tables perfectly sized for dining and

conversation, delicious appetizers, buffet with choice of four entrees, two sides, and dessert, all followed by a DJ and dance floor. Cash bar. Free parking in attached garage. Further info and registration available at www.spacecity.org / Calendar / December 19. Activity Coordinator: Lori Aubrecht at loriaubrecht@hotmail.com.

30 is the number of volunteers we need to help out at the Chevron Houston Marathon on Sunday, January 17th. With 30 volunteers our club will get the right to place a SCSC coupon in the Marathon's virtual goodie bag. Why is this important? The virtual goodie bag is a huge opportunity to get our club noticed, for free, by thousands of Houstonians! Please help us reach this goal. Contact Activity Coordinators Sharon Simandl ssimandl@hotmail.com and Bill Bomberger bbomberger@hotmail.com to sign up or get more information.

Ready or not, the New Year is almost upon us and we have a new event for you, courtesy of George Sargent and his good friends, the Moore's. It's NOT a New Year's Eve Party. It is a New Year's DAY party! You can skip the expensive New Year's Eve events and enjoy a special afternoon party on New Year's DAY, yes, on January 1, 2016! Football viewing? Check. Music? Check. Dancing? Check. Willing hosts with awesome house large enough for a couple hundred folks? Check. Free? Yes! There are a few rules to know:

1. Guests should bring a dish or snack to share and your own beverages.
2. Only Space City Ski & Adventure Club Members and their guests may attend. (Please note that the party will include non-SCSC guests that are personal invitees of the Hosts.)
3. While Space City Ski & Adventure Club is offering an invitation to this event, it is not an official Space City Ski & Adventure Club event. No fees are being charged by the club and Space City Ski & Adventure Club holds no responsibility or liability in regards to this event.

4. Check out the details at www.spacecity.org/ Calendar / January 1, or, contact George Sargent at george_sargent@yahoo.com.

I am already looking ahead and making plans for 2016. Would you like to coordinate two-step dance classes to prepare for rodeo season? run a chili cook-off? How about an Irish celebration? Host a games/cards night? Coordinate a day out at the camel and ostrich races? (no, I am not making that up.) Tell me how you would like to get involved! This is a great way to broaden your talents, widen your social circle and make new friends! Activity Coordinators also get free admission to our annual Volunteer Party held in the summer. The first step is to contact the [VP of Activities](#) (me).

Until next month ...

Member's Profile

Diane and David Stotz became members of Space City Ski Club in 1989 and went on their first SCSC trip to Keystone. They had learned to ski with friends from 1985 through 1988, but when their friends stopped skiing, Diane and David looked for another way to continue with their love of the sport. They have Jeri Hartman to thank, one of Diane's girlfriends, who told them about SCSC.

Diane and David met while David was going to school at Georgia Tech, Atlanta, GA, got married in 1980 and moved to Houston with his job with Atlantic Richfield.

David's career has been as a Chemical Engineer, a Natural Gas Buyer, a Feedstock Buyer, and a naphtha trader. The past few years to the present, he is serving beers at Saint Arnold Brewery, just north of Downtown Houston. He's also selling their merchandise and loves it!

Diane was an Administrative Assistant for most of her career, mostly working in Human Resources Departments at several companies. For the past 10 years she's been volunteering at several organizations including the First Unitarian Universalist Church's Care Team and EAC,

Emergency Aid Coalition.

In the mid 1990's David became involved with SCSC by being an ATC - Steamboat, TC - Vail, DOT, and then VP of Membership. David has also been the Race Director for numerous TSC trips. Just this past year, David became involved again and was the TC for Mammoth.

Diane became involved with SCSC in the late 1990's running activities to the theatre or helping with the Gala. Beginning in 2000, she became an ATC - Heavenly, TC - Telluride, and DOP (Director of Programs). Later she ran a few more activities, and also became a DOT.

They have traveled and skied at most of the Colorado ski resorts with the club, and have also ventured to Canada and Europe. Diane and David love to travel, and plan to travel with SCSC for many years.

Don't forget to sign up for David's Winter Shoot-Out Ski Trip to Sun Peaks, Canada in February 2016!

- Plenty of skiing for all skill levels (beginners, advanced and extreme.
- Cheap Lift Tickets & No Lift lines.

Crested Butte has plenty to offer everyone, including the longest run at 2.6 miles, Peak to Treasury. The area boasts 23% beginner, 57% intermediate and 20% advanced terrain. That does NOT INCLUDE the EXTREME terrain of the upper steeps which has bowls, chutes, glades and cliff jumps! No wonder this area is host to the Freestyle Championships held here every February. More than half of Crested Butte's groomed trails, however, are rated intermediate. If fast cruising is your style, there are buffed runs off the Silver Queen Express lift. Crested Butte is well known for the Best Off-Piste and Steeps. The area has 15 lifts with a capacity of 20,310/hr. NO LIFT LINES AT THIS RESORT. The lifts run from 9-4 pm with East River and High Lift closing at 3:30pm and North Face closing at 3 pm. There are also two terrain parks, Gold Link and Cascade, part of a complete freestyle haven.

THE TOWN

No traffic lights, no chain stores, there is a difference here. There are few places remaining that can be called a true Colorado ski town; this one is the way others USED TO LOOK. Look no further because THIS IS Colorado's Last Great Ski Town!! Crested Butte oozes charm as a National Historic District. A Victorian town dating back to the late 1800's, it was a bustling mining town and today it embraces a laid back lifestyle for locals and tourists alike. They come here to ski, others come to experience some of the most extreme skiing in North America, and others come to enjoy all this beautiful area has to offer year round. It is located 231 miles SW

of Denver and 28 miles north of Gunnison, CO.

Beautiful colorful buildings offer the visitor everything from over 40 restaurants and bars, art galleries, and plenty of shopping. You won't go hungry as there is everything from sushi restaurants, many pizza places, and everything in between, and prices are reasonable. There is also live music almost every night so you can dance to your heart's delight at places like Eldo bar or the Princess wine bar. Check out the Ice Bar.

Free shuttles take you to town every 15 minutes until 9:40 pm, then every 30 minutes until midnight. Then, there are taxis to get you back to your home, only minutes away. Crested Butte and Mt. Crested Butte, that is, the mountain area and the town, are everything you seek in a ski town and more, and that includes a local friendly sense of community where you can be as casual as you want and seek as much adventure as you and your body can handle. If this town doesn't stir your inner spirit and sense of adventure, we are not sure what will. Come with us and experience the adventure.

New Zealand – CLUB TRIP

APRIL 22 –MAY 1, 2016

Linda Kuper - TC

linda@spacecity.org

FIVE REASONS TO VISIT NEW ZEALAND

- Queenstown – the Southern Hemisphere’s premier year round resort area – spectacular fall colors in April.
- Pleasant temperatures for hikes with views of snowfields, glaciers, waterfalls and majestic peaks.
- Visit New Zealand’s award winning red wine region and sample their “Pinot Noir”.
- Start your day before the rest of the world, (just west of the International Date Line).
- Sea kayak with fur seals and dolphins in a beautiful fiord near the Tasman Sea.

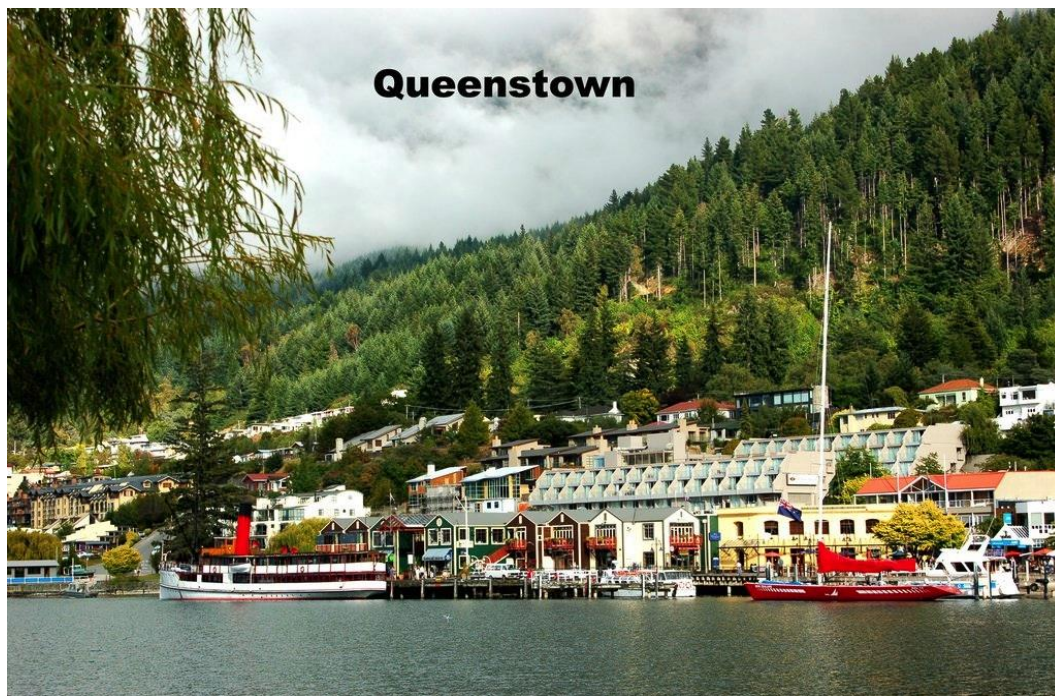

NEW ZEALAND – LAND OF ADVENTURE

Travel down under to a multi-island nation complete with fiords, glaciers, mountains, alpine forests, rainforests, waterfalls, world famous wines and fall foliage in April. You will leave Houston on Friday evening and arrive in Queenstown on Sunday morning.

FIRST STOP IS QUEENSTOWN.

Nestled on beautiful Lake Wakatipu, Queenstown in autumn is draped in a gorgeous color palette of reds and golds. Our home will be the Crowne Plaza hotel with its central location overlooking the lake and the surrounding mountains, called “The Remarkables”. The hotel has a contemporary style and the layout allows each room to include its own private balcony or courtyard access. There are several great restaurants, bars and entertainment at the nearby Steamer Wharf on the lake. Included in your package are all meals except one dinner and two lunches.

To explore Queenstown in 5 days, we will take hikes near town and in the nearby wilderness area, cruise the lake on a historic steamship, enjoy world renowned wines at the local vineyards and stroll the shops for treasures to bring home. There is an option to fly

into Mt. Aspiring National Park, stay one night in a back country hut and hike the Siberian Valley trail to reach the river for a jet boat ride back to civilization.

The other option is to hike to the Rob Roy Glacier and the next day, visit a gold prospector hut in the nearby beech forest (this option stays in the comfort of the hotel overnight!)

SECOND STOP IS MILFORD SOUND

Our journey continues to the west coast on a bus tour to Milford Sound, which is the best

known fiord of New Zealand and the only one accessible by road. There may be a close encounter with a mob of sheep on the drive to the sound. They obviously control the flow of traffic in the area.

We stay at the picturesque Milford Sound Lodge, where you can gaze on the rainforests and the mountains on the banks of the Cleddau River. We are roughly 10 miles from the Tasman Sea at the edge of the fiord. Sea kayaks will be our vehicles to explore this beautiful southern hemisphere treasure. We will experience the natural wonders of the clear water of the sound. Gliding along at water level allows us to get a real feel for the enormity of the peaks towering overhead and possibly a close encounter with the special marine wildlife in the fiord. All the gear will be provided for this trip but bring your containers to keep your cameras safe and maybe a pair of gloves (it is fall remember and you will be riding in the cold water).

Our last day in Queenstown, we experience a jetboat ride to the most spectacular river gorges on the mighty Kawarau River, which flows eastward, joins two other rivers and passes thru the steep Kawarau Gorge. The river is lined with beautiful willow trees and towering cliffs, which is the home of the first commercial bungee jumping site. The afternoon is free time for final shopping, exploring those areas not seen with the group like enjoying a horseback ride, a bungee jump or mountain biking. We have our final group dinner and bid fond farewell to lovely New Zealand. Sunday we leave New Zealand in the

afternoon and arrive in Houston that same afternoon (only about 5 hours later) – a real journey thru time. Come along for this incredible adventure down under!!! Airfares are not finalized as of now. Also, the post trip adventure to Sydney, Australia is not finalized.

Dennis Hughes

Ever wonder what they do in the mountains in the summer? The authentic mountain town of Whitefish, Montana provides for a unique vacation experience – a five-star town in the heart of the Rocky Mountain wilderness near Glacier National Park. This is a town built on the personalities, charm and wisdom of its local residents who work hard and play harder. While Glacier National Park is open year-round, summer in Whitefish offers close access to the hanging valleys and emerald peaks of this World Heritage Site, just 25 miles from town. Fish a clear mountain stream, hike an alpine trail, or embark on a historic driving tour of the famed Going-to-the-Sun Road. More than 700 miles of well-marked trails provide an incredible variety of hiking to explore mountain lakes, glaciers, plant life, and glimpses of the full-time residents such as grizzly and black bears, mountain goats, bighorn sheep, moose, deer and more.

RED BUS TOUR - GLACIER NATIONAL PARK

With their multiple doors and rollback canvas tops, the Reds are as much a part of Glacier National Park as the Going-to-the-Sun Road. While on a tour of the Park, you will marvel at the views from Logan Pass - 6646 feet high on the Continental Divide - the highest point on the breathtaking Going-to-the-Sun Road. Transfer to the Park via 50 person coach for a Full Day Tour. Sack lunch provided by Whitefish Mountain Resort.

SCENIC LIFT AND USFS NATURE CENTER PRESENTATION

A scenic lift ride is a great way to get outdoors and enjoy Mother Nature. The approximately 15 minute ride to the summit offers a chance to cool off, enjoy the scenery & visit the USFS Nature Center Presentation for local knowledge of flora and fauna and to take a guided nature walk.

ALPINE SLIDE

Grab a sled and race down the Alpine Slide controlling your speed through straight ways and banked curves. A fun experience unlike anything else you've ever done. The Alpine Slide is fun for all ages.

What are you going to do the rest of the time? Golf, rafting, fishing, hiking, shopping, the options are unlimited. You decide. Join me in Whitefish, 2016.

Rita Cardenas – co-TC

Leyla Ozkardesh & Rita Cardenas

The Danube Impressions Excursion is an easy, leisurely and enjoyable bicycle tour along the meandering lush green river banks of the Danube River going from village to village on quiet bike paths. This makes it an ideal way to explore the rich art, history and architecture of the Austrian and German countryside. The bicycle route we will be riding is flat with only a few gradual up or downhill sections, so if you can ride a bike 20-30 miles with 2-3 hours on the saddle, you can probably complete this bicycle tour with no difficulty. The guide is on the boat and will describe the ride to everyone each day. Then, everyone is free to do the ride on their own and at their own pace. Most of the sights will be seen by bicycle.

We begin in Passau and tour to Vienna, a firework of places of interests! Sights like St. Stephen's Cathedral, the Town Hall and the world's oldest Ferris wheel (Riesenrad) are easy to reach. At the Naschmarkt (famous food market), a stroll will become a cultural and culinary adventure. We will tour new wonderful sites on the way back to Passau. This bike tour along the German/ Austrian Danube is a very special pleasure because your "hotel" riverboat is always with you.

Please imagine yourself sitting in a café alongside the majestic Danube River, enjoying a snack, wine or espresso with your friends. Your bike is just outside, waiting to take you further along your journey of

cycling the most famous bicycle path in Europe, passing castles, monasteries, vineyards and more. And knowing that after each day's ride, you will join your TSC friends onboard the boat for dinner, drinks and stories of the day's adventure. Sound good? Then this might just be the cycling-themed holiday you've been dreaming about!

DAY 1 - PASSAU

We begin in Passau, the "Bishop City", close to the Bavarian/Austrian border and also known as the City of Three Rivers. It has long been regarded as one of Germany's most beautiful cities. It is recommended to spend time visiting the world's largest Catholic Church organ or a typical Bavarian beer garden before we board the boat at 5pm.

DAY 2 - MAUTHAUSEN TO GREIN (22 MILES)

Our first biking day takes us directly along the Danube where we will enjoy the natural state of the meadow landscape. We have opportunities to visit the medieval village and former concentration camp of Mauthausen and Celtic village Mitterkirchen or an alternate slightly hilly route to "Clam Castle" which takes you through the beautiful back country of the "Strudengau". Optional trip to Grein - Austria's oldest city theatre and a castle.

DAY 3 - GREIN TO MELK TO TULLN (30 MILES)

Starting at the Strudengau, the valley expands and our bike tour leads you to Melk with its gorgeous baroque Benedictine monastery. On board the boat, we travel down the river to Tulln famous for its numerous market gardens while enjoying the sunset and evening illumination of the Wachau.

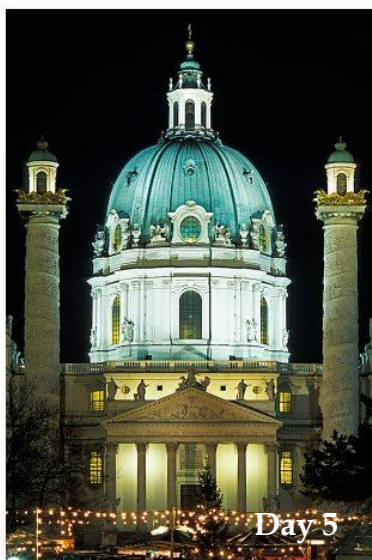

DAY 4 - TULLN ONTO VIENNA (22 MILES)

Starting in Tulln, a key historical crossing point is where we will find a number of well-preserved architectural monuments dating to the High Middle Ages and even back to Roman times. At Vienna's entrance embedded in beautiful scenery, is the monastery of Klosterneuberg. Stroll through wine vineyards and enjoy panoramic view of Vienna.

DAY 5 - VIENNA (REST DAY):

A day to explore beautiful Vienna - an abundance of sights! Famous sights like St. Stephen's Cathedral, the city hall and the world's oldest Ferris wheel (Riesenrad) are easy to reach. A stroll through the Naschmarkt (famous food market) is a wonderful cultural and culinary adventure. You can also relax at any

of the cozy coffee houses or at a typical traditional Viennese wine tavern. An optional Waltz and Opera concert at the Hofburg is offered.

DAY 6 – WACHAU/ROSSATZ-EMMERSDORF (29 MILES)

This day's biking enchants you with small dreamy towns, vineyards, castles, monasteries and ruins. Weißenkirchen- perfect for a wine tasting right alongside the cycle path.

DAY 7 – GREAT DANUBE LOOP-ENGELHARTSZELL (22 MILES)

Awaken your senses as we cycle through the Danube valley. Follow the walking trail to the lookout high above the Danube Loop with breathtaking views of the Danube valley. Tonight on board there will be a farewell dinner and a crew show - it is sure to be a night with lots of fun and entertainment.

DAY 8 – PASSAU

We disembark at 10am as we say farewell to our friends. You might spend time in the lovely city of Passau taking in all its wonders. Take a walking tour through the cobblestone streets of this Baroque town renowned for its lovely stained glass and nearly 100 churches. See the Altes Rathaus, the old town hall with 14th-century origins, murals on the façade and a glockenspiel in the tower; and visit St. Stephan's Cathedral, home to a magnificent pipe organ that is the world's largest.

RENTAL BICYCLES INCLUDED

The rentals are modern and high standard hybrid touring bicycles. They offer 28-Zoll-Unisex-tourbikes with deep comfort-entrance. The bikes are equipped with a 21-derailleur-gear with override, caliper breaks and robust wheels. The bicycles are mostly not older than 3 years. THE ART OF TRIP SIGN-UP AND THE FINE PRINT

Trip Sign-Up: HERE IT IS! Your chance to sign-up for your favorite SCSC ski trip(s) for 2015-2016. The trip registration form is in the back of this issue of the Sitzmarke and online. Go to www.spacecity.org to sign up online starting August 1st and pay your deposit using PayPal, or you may follow up your online registration by mailing a check to the TC. You also have the option of sending your trip registration form by USPS mail; however, the envelope can be postmarked no earlier than August 1st and you will need to wait for the trip TC to notify you if you are on the trip or come to the September General Meeting to verify your registration.

1. Trip sign-up for all trips begins August 1st, 2015. We take sign-ups in three ways: 1) mail your trip registration form and deposit payment to the TC or 2) give your registration form and deposit payment directly to the trip TC at an SCSC event or 3) signup online and pay your deposit by PayPal. If you sign up by mail, make the check payable to 'SCSC' & mail to P.O. Box 22567, Houston TX 77227. Write trip name on the check & on the outside of the envelope. The envelope cannot be postmarked prior to August 1st. Any signup postmarked prior to August 1st will be at the back of the line of day one sign-ups if it becomes necessary to determine the order that registrations were received.
2. You must be a current member in good standing to be added to a trip. Contact Patty Finch, VP of Membership (membership@spacecity.org), if you have questions regarding your membership status.
3. You may sign up yourself and one other SCSC member per trip (plus children for Family Optional trips) (see by-law 2.8.A.)
4. If you choose to register by mail, include the trip registration form with your deposit. The deposit for domestic trips is \$150 per participant and international trips is \$300 per participant. Checks are to be made payable to 'SCSC' and write the TRIP NAME in the memo field on your check.
5. If you choose registration by mail, mail your trip registration form and check to the TC listed for that trip. Additional information, TC telephone numbers and e-mail addresses, is listed in this Sitzmarke.
6. If the registration meets the above guidelines, your name(s) will be added to each trip's Participant List in the order received. If a trip's participant roster is full, additional registrations received will be added to a waitlist in the order received. The TC will hold deposit checks for waitlisted members until a space becomes available on the trip. For the participants that are confirmed on the trips, the checks will be deposited immediately.
7. These procedures apply to ALL members (except the trip's TC and ATC) and all trip participants are subject to SCSC Standing Rules, Policies and Procedures.
8. SCSC is not responsible for any problems with the U.S. Postal Service or the internet, including delayed delivery or lost mail.
9. Information shown on the Trip Schedule is subject to change. Contact the TC or ATC for up-to-date information.
10. Any registrations received which do not meet the above qualifications, may be returned to the sender.
11. Land packages have been approved by The Executive Committee for this year's trips. On the trips which have a limited number of available land packages, if all are filled, you will be given the option of being on a "Land Wait List" or switching to a full package.
12. Because of the restrictions noted below for land packages, be sure you have concrete travel arrangements made before you sign up for one of these. SCSC will not be responsible for any difficulties or extra expense you incur due to delayed or canceled flights or other transportation problems.

Rules and Restrictions for Land Packages

13. The price of the land package will be the full trip price minus participant's airfare. Ground transportation will be included and available on selected trips to land package participants if they can meet the group at the destination airport on time. Ground transportation will not be delayed for land package participants arriving later than the group.
14. Other than the full package, this is the only package price available; no other combinations of lodging and/or transportation will be offered. Note: As in the past, members may "Shadow" a trip by arranging

their own transportation, lodging, etc., and pay only for the parties and trip options. Please arrange to do this in advance as some of the trip options (group dinners, parties, and lift tickets) are reserved well in advance of the departure date.

15. Normal cancellation policies apply: 1) the added stipulation that, on or after final payment date, land package participants must be replaced from a land package wait list and full package participants must be replaced from a full package wait list in order to receive a refund.
16. Be sure this is the package you want - It may not be possible to convert your trip from land package to full package, or vice versa. The Club may not be able to secure additional airline seats.
17. If you sign up for a land package, please notify the TC of your transportation plans in advance of the trip. The TC can tell you where to meet the group at the airport and other pertinent details.
