From Mission Control

Christmas passed in a blur and has me yearning for the white stuff you can ski on! I hope you spent Christmas with loved ones and friends! I heard Vail was fantastic, and the rest of our season is still ahead. I hope you have secured a spot on at least one of our terrific trips!

I would like to thank our fabulous models for their part in our December meeting at Sun & Ski: Diane Stotz, Barry Casper, Betty Donellen, Deb Cini, Ann Dorn, Gary Barrett, Paul Antonucci, Craig Campbell, Leyla Ozkardesh, Stuart Traver, Ali Pethick and David Burrows. Also a big thank you to Bruce Lowther who helped gather the introduction information from the models while I was out of the country. A whopping 105 Members and SCSC guests enjoyed the free beer, wine, snacks and 20% off discount off of everything in addition to the fashion show and Bob's demo of the latest in ski boots. Welcome to our two new members who joined that night and our 7 guests. Also, a big shout out to Sun & Ski for hosting us and for those wonderful door prizes, refreshments and discounts!

Our new Director of Publicity, Deb Cini, was busy with her first job and major idea for the club. She suggested we ask Sun & Ski to put SCSC bag stuffers with info about our December meeting at Sun & Ski in all bags when an item is purchased. She made this happen and bags were stuffed from December 4th until the meeting. Email her any photos or info to post on our Face Book page as she is hard at work getting that up to date with exciting photos.

Our next meeting will be back to Jax Grill on Shepherd just south of I-10 on January 18th. Take note that is the **THIRD** Monday of January, not the 2nd due to the Snowmass trip. Parking should be easier as our biggest meetings are in the fall. SCSC will be featuring **SKI MOVIE NIGHT!** Immediately following the short business meeting, we will feature two movies inside by the bar. The first one is called "Apocalypse Snow"

and has a real plot! Here is a preview from the back cover, "In the tradition of James Bond comes the most incredible secret agent snow skiing chase ever captured on film! With his life on the line, our hero shreds the slopes of the French Alps while being pursued by daredevil mercenaries!" A Warren Miller flick will also be featured to get you revved up for your ski trip! Plan to eat and party with your ski buddies at Jax while watching the movie of your choice.

Following is a preview of the next three meetings:
February General Meeting: Joe Valentine and his ladies give you and your valentine a sock hop dance and show at Jax Grill.

March General Meeting: Rodeo Fun Night at Jax Grill. Participate in mini horse races, a horse shoe toss for prizes and a lasso contest, all for prizes!

April General Meeting: The 2nd Annual SCSC Gong Show at Jax Grill. See our own terrific SCSC talent and our crazy gong girls!

Cindy Moore,
President

Countdown to Liftoff

Listen carefully SCSCers and you shall hear, of the wonderful adventures we have for you in this New Year.

On the last day of December of two zero one five, alas all rhyming is done! Have ye no fear.

As we get set to see Snowmass depart for adventures unlimited, [Quebec](#) is looking for a few more participants. Time is very short so you must make your minds up right quick. Get with [Jan Ferrell](#) and tell her I sent you. The pace of adventure picks up from there as these folks won't even be back before [Crested Butte](#) bids Space City adieu. [Betty Donellan](#) assures me there is still space available for several of you.

For Presidents' week we head due North to visit our Canadian neighbors at [Sun Peaks](#). Your dollars will go much further if you choose this destination. This is one of those places that is not on the beaten path. Lots of snow, lots of fun, and no lift lines and \$664 land package! Need I say more? Talk to [Dave Stotz](#) for all the details.

At this writing it looks like [Steamboat](#) is full. Stay tuned, however, because there are often last minute opportunities. [Andy Smith](#) or [Halcyon Learned](#) are the folks you want to see.

[Lake Louise](#) is a great Canadian destination; classy, picturesque, and it offers superior skiing. [Bill Bomberger](#) tells me that he has 2 last minute openings. Hurry, the early bird catches the worm.

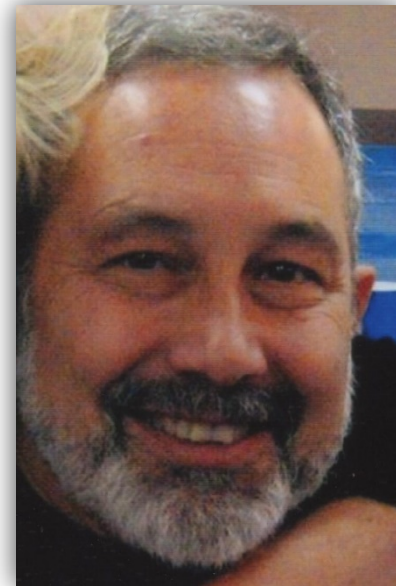

Our friends at [Capital Ski and Adventure Club in Austin](#) are running a family-friendly trip to [Copper](#) the second week in March. As part of the Texas Ski Council our members have the advantage to reciprocity with other clubs. Follow the link on our [Copper](#) destination.

The end of April is time to turn the page, change the season and head to the other side of the world

- [New Zealand](#). Tour, hike, kayak, taste the wine, meet the sheep. Then head west and visit Sidney. Can you say bucket list? Contact [Linda Kuper](#). This trip is super.

Then there is [Whitefish](#) at the end of August. Hike, fish, zip-line, golf just for starters; then tour Glacier National Park; a true gem of the Northwest This trip is growing by the minute. [Dennis Hughes](#) can make it happen if you want to join in.

The grand finale takes us on a cruise along the [Danube](#). You can kick back and just enjoy the history and the views or bike the trails along the way. As if that were not enough, you can finish the trip at the biggest party in the world: Oktoberfest in Munich. See [Leyla](#) or [Rita](#) to save you a spot.

George Lopez,
VP of Trips

Having a Blast

Happy New Year One and All

I hope everyone was able to find themselves some joy in the holiday season and that you have summoned up new optimism for the year ahead.

This past year my predecessor, Gayle Dale, and I have provided over a dozen activities for our club, as well as monthly happy hours. It is always a juggling act to plan enough variety to accommodate all tastes, locations, and budgets, but your social well-being is our motivation! In 2015 we hosted or participated in a Super Bowl Party, the Funky Umbrella Brigade in Galveston, a Crawfish Boil, Kentucky Derby Day, Hustle Dance Classes, an Astros Game, a Billiards Tournament, a Bowling Tournament, the Annual Volunteers Party, a Miller Outdoor Theatre Night, a Sugar Land Skeeters Game, an Oktoberfest Party, the Pardon My Turkey Social, and our Annual Holiday Gala. Our Club also contributed time and/or money to a few social causes: the Chevron Houston Marathon, the Sandcastle Competition in Galveston, and our President's special child, the Sunshine Kids Foundation Auction.

I hope those of you who have never hosted an event will make it your New Year resolution to do so this year! I will be setting up new events that will need Activity Coordinators and you can also create your own event to host. As an Activity Coordinator you will have opportunities to meet people you otherwise would not have crossed paths with *AND* you can do your part to contribute to this volunteer-run organization *AND* you will be invited to attend, at no charge, our Annual Volunteers Party. The first step is to talk to me at least two to three

months ahead of the event so we can get the approval and advertising process started.

Be sure to view the following list of activities already in progress and mark these dates in your new 2016 calendar.

Until next month ...

Jo Barrie,
VP of Activities

Crested Butte, CO - CLUB TRIP

FEBRUARY 6 - 13, 2016

Betty Donellan - TC

betty@spacecity.org

Betty Donellan

WHY CHOOSE THIS TRIP

- Known as Colorado's Last Great Ski Town.
- Plenty of skiing for all skill levels (beginners, advanced and extreme.
- Cheap Lift Tickets & No Lift lines.
- Short Walk to Lifts, Restaurants, Bars and Happy Hours!

Crested Butte has plenty to offer everyone, including the longest run at 2.6 miles, Peak to Treasury. From the abundant wide open green and blue groomed trails to more advanced long cruisers and the famous extreme limits of the North Face and Headwall, this mountain truly has it all. The area boasts 23% beginner, 57% intermediate and 20% advanced terrain. That does NOT INCLUDE the EXTREME terrain of the upper steeps which has bowls, chutes, glades and cliff jumps! No wonder this area is host to the Freestyle Championships held here every February. Take a free guided tour of the area or test your relationship with gravity on Rambo, said to be the steepest-cut ski run in North America, at up to 59 degrees in pitch. More than half of Crested Butte's groomed trails, however, are rated intermediate. If fast cruising is your style, there are buffed runs off the Silver Queen Express lift. Crested Butte is well known for the Best Off-Piste and Steeps. The area has 15 lifts with a capacity of 20,310/hr. NO LIFT LINES AT THIS RESORT. The lifts run from 9-4 pm with East River and High Lift closing at 3:30pm and North Face closing at 3 pm. There are also two terrain parks, Gold Link and Cascade, part of a complete freestyle haven.

CRESTED BUTTE MOUNTAIN STATS

- 300" of average annual snowfall, 1547 skiable acres & 121 runs.
- Beginner 23%, Intermediate 57% and Advanced 20%.
- Peak elevation: 12,162 ft. Base Elevation: 9,375 ft. Vertical Drop: 2,775 ft.
- Overall, 3,062 ft. requires a short hike to Peak Terrain.

- Snowmaking services available on 297 acres serviced by 14 of 15 lifts.

LODGING: PLAZA CONDOMINIUMS

These lovely condominiums are located just 100 yards from the lifts. They feature 1350 sq. ft. of living place with warm fireplaces, comfortable living and dining areas and full kitchens. In a short walk you can take in the slopes or the action at the base with its restaurants, shops and Happy Hours. You have all the comforts and amenities of a hotel, including on-site check-in, on-site restaurant and bar, daily housekeeping, complimentary wireless internet, 2 hot tubs, complimentary covered parking, elevators, private washer/dryer, sauna and steam rooms, balconies, etc.

THE TOWN

No traffic lights, no chain stores, there is a difference here. There are few places remaining that can be called a true Colorado ski town; this one is the way others USED TO LOOK. Look no further because THIS IS Colorado's Last Great Ski Town!! Crested Butte oozes charm as a National Historic District. A Victorian town dating back to the late 1800's, it was a bustling mining town and today it embraces a laid back lifestyle for locals and tourists alike. They come here to ski, others come to experience some of the most extreme skiing in North America, and others come to enjoy all this beautiful area has to offer year round. It is located 231 miles SW of Denver and 28 miles north of Gunnison,

CO.

Beautiful colorful buildings offer the visitor everything from over 40 restaurants and bars, art galleries, and plenty of shopping. You won't go hungry as there is everything from sushi restaurants, many pizza places, and everything in between, and prices are reasonable. There is also live music almost every night so you can dance to your heart's delight at places like Eldo bar or the Princess wine bar. Check out the Ice Bar.

Free shuttles take you to town every 15 minutes until 9:40 pm, then every 30 minutes until midnight. Then, there are taxis to get you back to your home, only minutes away. Crested Butte and Mt. Crested Butte, that is, the mountain area and the town, are everything you seek in a ski town and more, and that includes a local friendly sense of community where you can be as casual as you want and seek as much adventure as you and your body can handle. If this town doesn't stir your inner spirit and sense of adventure, we are not sure what will. Come with us and experience the adventure.

New Zealand - CLUB TRIP

APRIL 22 -MAY 1, 2016

Linda Kuper - TC

linda@spacecity.org

FIVE REASONS TO VISIT NEW ZEALAND

- Queenstown - the Southern Hemisphere's premier year round resort area - spectacular fall colors in April.
- Pleasant temperatures for hikes with views of snowfields, glaciers, waterfalls and majestic peaks.
- Visit New Zealand's award winning red wine region and sample their "Pinot Noir".
- Start your day before the rest of the world, (just west of the International Date Line).
- Sea kayak with fur seals and dolphins in a beautiful fiord near the Tasman Sea.

NEW ZEALAND - LAND OF ADVENTURE

Travel down under to a multi-island nation complete with fiords, glaciers, mountains, alpine forests, rainforests, waterfalls, world famous wines and fall foliage in April. You will leave Houston on Friday evening and arrive in Queenstown on Sunday morning.

FIRST STOP IS QUEENSTOWN.

Nestled on beautiful Lake Wakatipu, Queenstown in autumn is draped in a gorgeous color palette of reds and golds. Our home will be the Crowne Plaza hotel with its central location overlooking the lake and the surrounding mountains, called "The Remarkables". The hotel has a contemporary style and the layout allows each room to include its own private balcony or courtyard access. There are several great restaurants, bars and entertainment at the nearby Steamer Wharf on the lake. Included in your package are all meals except one dinner and two lunches.

To explore Queenstown in 5 days, we will take hikes near town and in the nearby wilderness area, cruise the lake on a historic steamship, enjoy world renowned wines at the local vineyards and stroll the shops for treasures to bring home. There is an option to fly

into Mt. Aspiring National Park, stay one night in a back country hut and hike the Siberian Valley trail to reach the river for a jet boat ride back to civilization.

The other option is to hike to the Rob Roy Glacier and the next day, visit a gold prospector hut in the nearby beech forest (this option stays in the comfort of the hotel overnight!)

SECOND STOP IS MILFORD SOUND

Our journey continues to the west coast on a bus tour to Milford Sound, which is the best

known fiord of New Zealand and the only one accessible by road. There may be a close encounter with a mob of sheep on the drive to the sound. They obviously control the flow of traffic in the area.

We stay at the picturesque Milford Sound Lodge, where you can gaze on the rainforests and the mountains on the banks of the Cleddau River. We are roughly 10 miles from the Tasman Sea at the edge of the fiord. Sea kayaks will be our vehicles to explore this beautiful southern hemisphere treasure. We will experience the natural wonders of the clear water of the sound. Gliding along at water level allows us to get a real feel for the enormity of the peaks towering overhead and possibly a close encounter with the special marine wildlife in the fiord. All the gear will be provided for this trip but bring your containers to keep your cameras safe and maybe a pair of gloves (it is fall remember and you will be riding in the cold water).

Our last day in Queenstown, we experience a jetboat ride to the most spectacular river gorges on the mighty Kawarau River, which flows eastward, joins two other rivers and passes thru the steep Kawarau Gorge. The river is lined with beautiful willow trees and towering cliffs, which is the home of the first commercial bungee jumping site. The afternoon is free time for final shopping, exploring those areas not seen with the group like enjoying a horseback ride, a bungee jump or mountain biking. We have our final group dinner and bid fond farewell to lovely New Zealand. Sunday we leave New Zealand in the

afternoon and arrive in Houston that same afternoon (only about 5 hours later) – a real journey thru time. Come along for this incredible adventure down under!!! Airfares are not finalized as of now. Also, the post trip adventure to Sydney, Australia is not finalized.

Dennis Hughes

Ever wonder what they do in the mountains in the summer? The authentic mountain town of Whitefish, Montana provides for a unique vacation experience – a five-star town in the heart of the Rocky Mountain wilderness near Glacier National Park. This is a town built on the personalities, charm and wisdom of its local residents who work hard and play harder. While Glacier National Park is open year-round, summer in Whitefish offers close access to the hanging valleys and emerald peaks of this World Heritage Site, just 25 miles from town. Fish a clear mountain stream, hike an alpine trail, or embark on a historic driving tour of the famed Going-to-the-Sun Road. More than 700 miles of well-marked trails provide an incredible variety of hiking to explore mountain lakes, glaciers, plant life, and glimpses of the full-time residents such as grizzly and black bears, mountain goats, bighorn sheep, moose, deer and more.

RED BUS TOUR - GLACIER NATIONAL PARK

With their multiple doors and rollback canvas tops, the Reds are as much a part of Glacier National Park as the Going-to-the-Sun Road. While on a tour of the Park, you will marvel at the views from Logan Pass - 6646 feet high on the Continental Divide - the highest point on the breathtaking Going-to-the-Sun Road. Transfer to the Park via 50 person coach for a Full Day Tour. Sack lunch provided by Whitefish Mountain Resort.

SCENIC LIFT AND USFS NATURE CENTER PRESENTATION

A scenic lift ride is a great way to get outdoors and enjoy Mother Nature. The approximately 15 minute ride to the summit offers a chance to cool off, enjoy the scenery & visit the USFS Nature Center Presentation for local knowledge of flora and fauna and to take a guided nature walk.

ALPINE SLIDE

Grab a sled and race down the Alpine Slide controlling your speed through straight ways and banked curves. A fun experience unlike anything else you've ever done. The Alpine Slide is fun for all ages.

What are you going to do the rest of the time? Golf, rafting, fishing, hiking, shopping, the options are unlimited. You decide. Join me in Whitefish, 2016.

Rita Cardenas – co-TC

Leyla Ozkardesh & Rita Cardenas

The Danube Impressions Excursion is an easy, leisurely and enjoyable bicycle tour along the meandering lush green river banks of the Danube River going from village to village on quiet bike paths. This makes it an ideal way to explore the rich art, history and architecture of the Austrian and German countryside. The bicycle route we will be riding is flat with only a few gradual up or downhill sections, so if you can ride a bike 20-30 miles with 2-3 hours on the saddle, you can probably complete this bicycle tour with no difficulty. The guide is on the boat and will describe the ride to everyone each day. Then, everyone is free to do the ride on their own and at their own pace. Most of the sights will be seen by bicycle.

We begin in Passau and tour to Vienna, a firework of places of interests! Sights like St. Stephen's Cathedral, the Town Hall and the world's oldest Ferris wheel (Riesenrad) are easy to reach. At the Naschmarkt (famous food market), a stroll will become a cultural and culinary adventure. We will tour new wonderful sites on the way back to Passau. This bike tour along the German/ Austrian Danube is a very special pleasure because your "hotel" riverboat is always with you.

Please imagine yourself sitting in a café alongside the majestic Danube River, enjoying a snack, wine or espresso with your friends. Your bike is just outside, waiting to take you further along your journey of cycling the most famous bicycle path in Europe, passing castles, monasteries, vineyards and more. And knowing that after each day's ride, you will join your TSC friends onboard the boat for dinner, drinks and stories of the day's adventure. Sound good? Then this might just be the cycling-themed holiday you've been dreaming about!

DAY 1 - PASSAU

We begin in Passau, the "Bishop City", close to the Bavarian/Austrian border and also known as the City of Three Rivers. It has long been regarded as one of Germany's most beautiful cities. It is recommended to spend time visiting the world's largest Catholic Church organ or a typical Bavarian beer garden before we board the boat at 5pm.

DAY 2 - MAUTHAUSEN TO GREIN (22 MILES)

Our first biking day takes us directly along the Danube where we will enjoy the natural state of the meadow landscape. We have opportunities to visit the medieval village and former concentration camp of Mauthausen and Celtic village Mitterkirchen or an alternate slightly hilly route to "Clam Castle" which takes you through the beautiful back country of the "Strudengau". Optional trip to Grein - Austria's oldest city theatre and a castle.

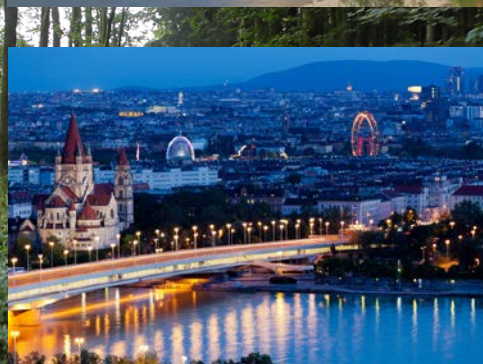

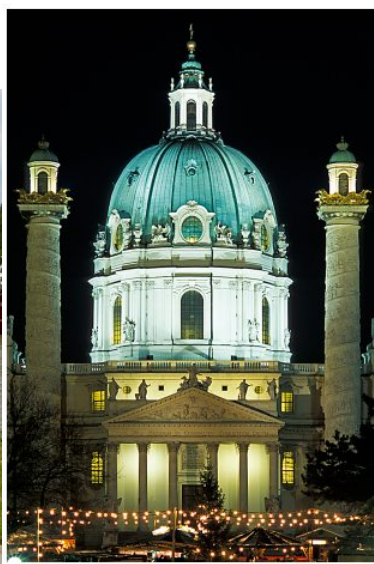

DAY 3 - GREIN TO MELK TO TULLN (30 MILES)

Starting at the Strudengau, the valley expands and our bike tour leads you to Melk with its gorgeous baroque Benedictine monastery. On board the boat, we travel down the river to Tulln famous for its numerous market gardens while enjoying the sunset and evening illumination of the Wachau.

DAY 4 - TULLN ONTO VIENNA (22 MILES)

Starting in Tulln, a key historical crossing point is where we will find a number of well-preserved architectural monuments dating to the High Middle Ages and even back

to Roman times. At Vienna's entrance embedded in beautiful scenery, is the monastery of Klosterneuberg. Stroll through wine vineyards and enjoy panoramic view of Vienna.

DAY 5 - VIENNA (REST DAY):

A day to explore beautiful Vienna – an abundance of sights! Famous sights like St. Stephen's Cathedral, the city hall and the world's oldest Ferris wheel (Riesenrad) are easy to reach. A stroll through the Naschmarkt (famous food market) is a wonderful cultural and culinary adventure. You can also relax at any of the cozy coffee houses or at a typical traditional Viennese wine tavern. An optional Waltz and Opera concert at the Hofburg is offered.

DAY 6 - WACHAU/ROSSATZ-EMMERSDORF (29 MILES)

This day's biking enchants you with small dreamy towns, vineyards, castles, monasteries and ruins. Weißenkirchen- perfect for a wine tasting right alongside the cycle path.

DAY 7 - GREAT DANUBE LOOP-ENGELHARTSZELL (22 MILES)

Awaken your senses as we cycle through the Danube valley. Follow the walking trail to the lookout high above the Danube Loop with breathtaking views of the Danube valley. Tonight on board there will be a farewell dinner and a crew show - it is sure to be a night with lots of fun and entertainment.

DAY 8 - PASSAU

We disembark at 10am as we say farewell to our friends. You might spend time in the lovely city of Passau taking in all its wonders. Take a walking tour through the cobblestone streets of this Baroque town renowned for its lovely stained glass and nearly 100 churches. See the Altes Rathaus, the old town hall with 14th-century origins, murals on the façade and a glockenspiel in the tower; and visit St. Stephan's Cathedral, home to a magnificent pipe organ that is the world's largest.

RENTAL BICYCLES INCLUDED

The rentals are modern and high standard hybrid touring bicycles. They offer 28-Zoll-Unisex-tourbikes with deep comfort-entrance. The bikes are equipped with a 21-derailleur-gear with override, caliper breaks and robust wheels. The bicycles are mostly not older than 3 years. If you prefer to rent an electric bike, you will receive modern, high quality E-Bikes – Additional \$82. Bring own helmet or buy one for \$30.

THE ART OF TRIP SIGN-UP AND THE FINE PRINT

Trip Sign-Up: HERE IT IS! Your chance to sign-up for your favorite SCSC ski trip(s) for 2015-2016. The trip registration form is in the back of this issue of the Sitzmarke and online. Go to www.spacecity.org to sign up online starting August 1st and pay your deposit using PayPal, or you may follow up your online registration by mailing a check to the TC. You also have the option of sending your trip registration form by USPS mail; however, the envelope can be postmarked no earlier than August 1st and you will need to wait for the trip TC to notify you if you are on the trip or come to the September General Meeting to verify your registration.

1. Trip sign-up for all trips begins August 1st, 2015. We take sign-ups in three ways: 1) mail your trip registration form and deposit payment to the TC or 2) give your registration form and deposit payment directly to the trip TC at an SCSC event or 3) signup online and pay your deposit by PayPal. If you sign up by mail, make the check payable to 'SCSC' & mail to P.O. Box 22567, Houston TX 77227. Write trip name on the check & on the outside of the envelope. The envelope cannot be postmarked prior to August 1st. Any signup postmarked prior to August 1st will be at the back of the line of day one sign-ups if it becomes necessary to determine the order that registrations were received.
2. You must be a current member in good standing to be added to a trip. Contact Patty Finch, VP of Membership (membership@spacecity.org), if you have questions regarding your membership status.
3. You may sign up yourself and one other SCSC member per trip (plus children for Family Optional trips) (see by-law 2.8.A.)
4. If you choose to register by mail, include the trip registration form with your deposit. The deposit for domestic trips is \$150 per participant and international trips is \$300 per participant. Checks are to be made payable to 'SCSC' and write the TRIP NAME in the memo field on your check.
5. If you choose registration by mail, mail your trip registration form and check to the TC listed for that trip. Additional information, TC telephone numbers and e-mail addresses, is listed in this Sitzmarke.
6. If the registration meets the above guidelines, your name(s) will be added to each trip's Participant List in the order received. If a trip's participant roster is full, additional registrations received will be added to a waitlist in the order received. The TC will hold deposit checks for waitlisted members until a space becomes available on the trip. For the participants that are confirmed on the trips, the checks will be deposited immediately.
7. These procedures apply to ALL members (except the trip's TC and ATC) and all trip participants are subject to SCSC Standing Rules, Policies and Procedures.
8. SCSC is not responsible for any problems with the U.S. Postal Service or the internet, including delayed delivery or lost mail.
9. Information shown on the Trip Schedule is subject to change. Contact the TC or ATC for up-to-date information.
10. Any registrations received which do not meet the above qualifications, may be returned to the sender.
11. Land packages have been approved by The Executive Committee for this year's trips. On the trips which have a limited number of available land packages, if all are filled, you will be given the option of being on a "Land Wait List" or switching to a full package.
12. Because of the restrictions noted below for land packages, be sure you have concrete travel arrangements made before you sign up for one of these. SCSC will not be responsible for any difficulties or extra expense you incur due to delayed or canceled flights or other transportation problems.

Rules and Restrictions for Land Packages

13. The price of the land package will be the full trip price minus participant's airfare. Ground transportation will be included and available on selected trips to land package participants if they can meet the group at the destination airport on time. Ground transportation will not be delayed for land package participants arriving later than the group.
14. Other than the full package, this is the only package price available; no other combinations of lodging and/or transportation will be offered. Note: As in the past, members may "Shadow" a trip by arranging

their own transportation, lodging, etc., and pay only for the parties and trip options. Please arrange to do this in advance as some of the trip options (group dinners, parties, and lift tickets) are reserved well in advance of the departure date.

15. Normal cancellation policies apply: 1) the added stipulation that, on or after final payment date, land package participants must be replaced from a land package wait list and full package participants must be replaced from a full package wait list in order to receive a refund.
16. Be sure this is the package you want - It may not be possible to convert your trip from land package to full package, or vice versa. The Club may not be able to secure additional airline seats.
17. If you sign up for a land package, please notify the TC of your transportation plans in advance of the trip. The TC can tell you where to meet the group at the airport and other pertinent details.
