

## FROM MISSION CONTROL

BY JAN FERRELL, PRESIDENT

The September meeting is shaping up nicely. We have a new home and the location is terrific. Dave and Buster's on Richmond is a place we've been before. It is newly renovated and quite nice. Our exciting trips will be showcased and the trip leaders ready to talk to you about them. Some are already sold out but do

not despair—there is always a wait list.

We do have a season to remember ahead now that cool weather is at our doorstep. We can start by dragging our ski clothes out (do they still fit), checking the bindings on our skis and boards, deciding whether or not to buy new stuff and schedule our vacation time. Folks going on international trips, it's time to make sure your passport is up to date and look into Global Entry if you don't have it. Major time saver and fun to whoosh by people at security/customs checkpoints.

Stay in touch folks and see you at an event soon,

Jan

## HAVING A BLAST

BY LYNN BURCH, VICE PRESIDENT OF ACTIVITIES

Our July dinner at Sinh Sinh Chinese/Vietnamese restaurant in Chinatown on Bellaire off Beltway 8 was attended by 24 participants. We had 2 tables of 12 and at one table each person ordered their own meal but the second table took Stuart Traver's suggestion and or-

dered the family dinner for 10. There was so much food it was unbelievable. I even tried things I would never have tried otherwise. The July Happy Hour was at the Tasting Room at Uptown Park. We had a great turn out.

The Volunteer Party was July 28 and we had 80 people attend (largest crowd ever). There were 26 non-volunteers that paid to be able to come and enjoy the wonderful BBQ cooked by Bruce Lowther and Robert Clements along with their Margarita machine. Plenty of food and drinks for everyone (we did run out of beer and wine at the end which means a successful party. A HUGE THANKS to Linda and Stan Kuper for the use of their beautiful house and pool. Thanks to everyone who helped set up and clean up, it was very much appreciated.

August 4, Judy Vaughn ran a trip for 10 of us to go on a sailing trip with Jay Leggett (a TASS and SCSC member) on Galveston Bay and we had a great time with great weather. Joan Waddill and Marsha Lutz even steered the boat for a while and Larry Robinson and Dennis Hughes helped get the anchor up and with the sails. These members along with the rest of the group Jo Ann Zemlicka, Melinda Hughes, Camille La Roe and Lynn Burch went to eat at TBone Toms after sailing. Marilyn Swanson and Larry had to go to Galveston so they missed the dinner.

We had 9 for Bowling on August 12 with leader Craig Campbell and had a lot of fun. Bowling, beer and chips w/salsa what else do you want?

Our Game Days have turned out to be a success with 8 to 10 coming each month to play Mexican Train and Rummikub and the Game Nights usually have 10 to 14.

The following events have not happened at the writing of this article and will be reported on next month. Our August Dinner at Café Adobe on August 18 has 30 people signed up, Happy Hour at Brio's on August 23, the Galveston Sand Castle on August 25 and Game Night on August 28.

Dance classes are on every Wednesday. Michael is teaching different dances every couple of months, he started Salsa

in June and will keep going on that dance for a while and then switch to another type. So far this year he has taught Waltz, Cha Cha and now Salsa. Salsa will still be taught in September.

Please check the website often for new activities. This is where you learn about them and can sign up.

Thank you to all the members who participate in the events, as long as you keep coming and signing up for activities we will keep having them and adding new ones.

## ASTROS GAME REPORT

Marsha Lutz led 26 SCSC Astro fans on a great outing to the ball park on Friday July 13. The only unlucky ones were the Detroit Tigers players and fans. There were lots of hits, a home run, and a shut out! Astros beat the Tigers 3-0. The Friday night fireworks were spectacular- just like our World

6:30PM - 8:30PM

Enjoy your summer!

# VAIL – the Best Skiing on Earth December 8-15, 2018

Land only - \$1,439

(single supplement \$1,409 with group bus, \$1,312 without bus) TC Kasia Rezmer vail@spacecity.org

At 5,289 acres, Vail is the largest single Ski Mountain in North America, featuring seven powdery bowls, the backcountry skiing of Blue Sky Basin and the front side. 1,500 acres of "corduroy" each day means the most groomed terrain on the planet. Combined with a yearly average of 346 inches of snowfall and 300 days of sunshine, Vail is a skier's paradise. But more than that, off the slopes, head to Lionshead or Vail Village with world-class dining, shopping, galleries, après ski, nightlife and spas all just steps away. Vail is certainly the largest ski mountain in North America, stretching seven miles from east to west and is consistently ranked tops on the continent and among the very best in the world.

WHY CHOOSE THIS TRIP? Vail consistently has good early season snowfall. While there are never any guarantees when the weather is involved, you are highly likely to enjoy good conditions at Vail in early December.

Enjoy ski-in, ski-out luxury as our lodging is at the Lion Square Lodge, only 50 yards from the Eagle Bahn gondola. We will be staying in deluxe 2 bedroom condos. Lodging

amenities include an outdoor pool and hot tub, a fitness center, free ski check and an underground parking garage. El Sabor, an excellent Latin-fusion restaurant, is located onsite. Other amenities include a 24-hour front desk, onsite concierge and daily housekeeping.

Imagine stepping out of your condo in the morning, making the short walk down to the complimentary ski valet, grabbing your skis and walking across to the gondola. World class skiing is literally at your door! Vail doesn't get any easier to do than this!

WHAT DOES THIS TRIP INCLUDE? This is a land only trip, so it includes your round-trip bus transportation from Denver International Airport to Vail, seven nights accommodation at Lion Square Lodge and a Welcome party on Saturday night. You will need to arrange your own round trip airfare tickets to Denver. Please make sure that you get air that arrives in Denver no later than 11 am on Dec 8, 2018, and leaves no earlier than 2 pm on Dec 15, 2018. The travel agent that we are using for this trip can also arrange airfare for you (contact details below).

**SKI/SNOWBOARD RENTAL**: If you need to rent skis or a snowboard, Charter Sports is conveniently located on the second floor of Lion Square Lodge. Please go to their website (www.chartersports.com/lion-square-lodge) or call 970-476-8813, and reserve your equipment to ensure they will have what you want when we get there.

**LIFT TICKETS**: For individual lift tickets or an Epic Pass, please contact Randall Howard at SnowVentures directly. His office phone is 800-845-7157 Ext: 3502, and his mobile is 970-390-4706.

Japan offers something for everyone, whether it's deep powder skiing, long winding groomed skiing, or just sightseeing in some of the ancient temples, or the Wild Monkey habitat, there is something to please everyone here.

For the skiers - the ski areas of Hakuba are quite fantastic in their own right. First founded in 1928, Hakuba boasts some of the highest snowfall levels in Japan, with an annual base of snow exceeding 10 meters (that's 393.7 inches!). The region is well known internationally due to it having hosted major skiing events including the 1993 World Alpine Championships, the Global Interski Championships in 1995, and of course, the 1998 Winter Olympic Games. There are 9 ski areas stretched across the broad valley of Hakuba totaling 135 lifts and over 200 runs. Most resorts are accessible by a free ski bus or a public ski bus for about \$4 US roundtrip if farther away. These ski areas are every bit as challenging and expansive as one would find at any major ski resorts in the US Rockies or Europe in terms of ski terrain, snow quality and natural beauty. Equipped with

high speed quads, gondolas and chair lifts, the area boasts spectacular skiing that certainly fills up a week. And an added bonus for Epic Pass holders – Hakuba is an Epic Pass location!!

For non-skiers - day trips are available with excursions to Nagano City, Nagano Temple and Olympic Village, a visit to Matsomoto City with its medieval castle, a trip to see the "Snow Monkeys" lounging around and swimming in the natural hot springs, a sake brewery tour, and many more! Take the opportunity to experience Japanese culture first-hand and take some local classes and try making soba noodles or origami folding. You can even enjoy a Japanese tea ceremony while dressed in a kimono! Of course a visit to Japan wouldn't be complete without experiencing the traditional art of hot springs bathing where the mineral water is famous for its healing properties.

It's been five years since the Space City Ski Club has made a weeklong trip to Keystone, and it's not a minute too soon for a return to this beautiful resort in the White River

National Forest. Featuring 3,148 acres of skiable terrain, Keystone is the largest ski resort in Colorado. With the combination of Keystone Resort and Southwest Airline discounts, this trip is quite affordable. Multiple day lift ticket prices are being offered at a significant discount as well. Additionally, all skiers will receive a \$15 lunch voucher for each ski day, Epic Pass holders included. For five days of skiing that's a \$75 discount of your lunch. Keystone has something to offer for anyone from the raw beginner to the hard core steeps and mogul skier. And yes, night skiing is offered at Keystone for those who just don't know when to quit! And if all day skiing is not your cup of tea, there's much more to offer at Keystone. For those looking to do something different, there's tubing, snowbiking, indoor tennis, ice skating, snowmobiling, snow cat tours, sleigh rides, gondola rides, wine tasting, shopping and more.

#### The Mountain:

Keystone is spread across three peaks featuring gentle groomers, cruisers and steep bumps to gladed terrain,

powder-filled bowls and the award winning A51 Terrain Park. Looking up the mountain from the River Run or Mountain House base areas Dercum Mountain dominates the skyline at 11,640 feet. Its trails offer long, groomed beginner runs as well as a variety of wide, rolling intermediate runs. Located in the lower right portion of Dercum Mountain is the A51 Ter-

rain Park, with its own dedicated lift to assure that you have plenty of time to do the jumps and ride the rails. Next up behind Dercum Mountain is North Peak at 11,660 feet in elevation. Featuring a wide array of challenging terrain including long bump runs, it is like eye candy to intermediate to advanced skiers. On peak lunch dining is offered at Labonte's Smokehouse BBQ or The Outpost in the Timber Ridge food court. Or if you want to make an evening of it, come back later on the gondola for dinner at the Alpenglow Stube or Der Fondue Chessei restaurants. And further behind North Peak stands The Outback, Keystone's tallest peak at 11,980 feet. It's quite the place for those looking to play in the deep end making powder turns and tree skiing. And just a short hike off the top of the Outback Express Lift is access to North and South Bowls, where skiers can find wide-open turns and powder stashes. For those who relish skiing outside the lift lines, Independence, Bergman, Erickson, North Bowl and South Bowl feature more than 1,000 acres of incredible hike-to-terrain with secret stashes and untouched tree runs. Wanting to save your energy for mountain play, taking a \$10 snow cat ride will get you to those areas. Or book a day of guided cat skiing with Keystone Adventure Tours for exclusive terrain in all five bowls.

The airport is only 30 minutes to our lodging at Morning Eagle Lodge, Whitefish Mountain Resort's newest, slopeside luxury condominium property. It provides pure Montana pampering in the center of the resort village. The two-story lobby at Morning Eagle Lodge features a large stone fireplace

and lounge area, while building amenities include a heated, secure underground parking garage, ski lockers and the only on-mountain fitness facilities. While staying at Morning Eagle Lodge we will take advantage of the surrounding views while sitting in the top floor hot tub.

Once called Big Mountain, Whitefish Mountain in northwestern Montana offers spectacular views of nearby Glacier National Park and with over 3000 acres - more terrain than Jackson Hole or Aspen, and rarely a lift line! Vast bowls, tree skiing, steeps, and some of the longest intermediate groomers, Whitefish can accommodate skiers and riders of all levels and abilities. Powder, huge terrain, no lift lines, gourmet food, perfect location, make this a trip not to miss. Last year Whitefish had record snow, 426 inches. During the 123 days of Whitefish Mountain Resort's season, it snowed 80 days. Additional lifts have aided in maintaining the experience of un-crowded slopes.

It's clear that Whitefish is in a resort's sweet spot: still small enough to offer the intimacy that nurtures skiing's most enduring traits, yet also growing at a pace that brings in enough cash and creative energy to upgrade the place just about ev-

ery season. Last year Whitefish was in Ski Magazine's Top 10, finishing between Crested Butte and Steamboat. Service and character are a testament to the resort's smalltown attitude.

deep powder Pair spectacular with views of Glacier National Park and the shimmering waters of Whitefish Lake below. Ski/ride through perfect corduroy or test your skills in the terrain parks.

The mountain is separated into three faces. The front side is primarily serviced by the Chair One high speed quad and has the most skiable terrain. Chair 2, which also runs on the front side was replaced with a high-speed quad in 2007. The front side has seven of the mountain's nine chairlifts.

The back side of the mountain is serviced by Chair 7, also a high-speed quad. The back side has more tree skiing terrain, and additional terrain can be accessed by T-Bar 2 on weekends and during select holiday periods. The western aspect of the mountain contains the Hell Roaring basin. Serviced by Chair 8, a fixed grip triple chair, Hell Roaring basin is the most advanced skiing on the mountain with cliffs, ver-

tical chutes, and tight tree skiing. The intermediate Hellfire trail is the longest on the mountain; it runs 3.3 miles from the summit to the base of Chair 8.

**The Mountain:** Schweitzer is the largest ski area in Idaho (bigger than Sun Valley) and Washington. The resort boasts 2,900 acres of varied terrain for skiing and snowboarding. Home to incredible bowls, chutes, groomed cruisers and some of the best tree skiing in America (over 1,200 acres of trees!!), Schweitzer offers something for everyone.

Day long adventures start from the summit and have skiers on untracked backcountry powder by 9:30 a.m. Skiers typically complete up to 10 runs and rack up as much as 14,000 vertical feet on 4,350 acres of diverse terrain.

Powder Selkirk also offers guided snowmobile tours along groomed logging roads through thousands of acres of private state-owned and forests and has the only heli-skiing operation in Idaho.

# Mamajuana\* or Bust!

At The

## Luxury Bahia Principe Ambar An Adult All-Inclusive Resort

Punta Cana, Dominican Republic May 4th Returning May 11th, 2019 – 7 nights! Land Only \$962 Air Estimated at \$650\*\* See Below Regarding Airfare

TC: George Sargent george\_sargent@yahoo.com

Join the Space City Ski and Adventure Club at one of the best beach adventures in the world. Travelers will be rewarded with your first Mamajuana\* (customary and a must try) or a cocktail of your choice upon arrival at the **Luxury Bahia Principe Ambar.** Okay. That's a long name so I'll just call it the Ambar. The Bahia Principe is a mega resort including multiple locations catering to the whims of patrons from around the world. The Ambar is a secluded section for adults only yet Ambar patrons may visit other areas of the resort. TripAdvisor reviewers give the Ambar a 4.5 rating out of 5. I've been there and it is a nice place!

The club and I will be looking for 28 excited participants to take advantage of this tropical paradise. Additional bookings will be at the prevailing rate provided the resort has openings.

The Ambar includes just about everything you could want. There are 2 pools so you can't go far without finding a favorite tanning location. It has 5 different restaurants for fine dining and many more in the other family oriented sections. It's impossible to go hungry. The drinks are unlimited and the cocktail bars are all over the place including a swim up

pool bar and watering hole on the beach. Outdoor activities even include the use of kayaks and catamarans available upon request.

The Ambar actually has two areas. We will be located closest to the beach. All the rooms at the Ambar are totally remodeled within the past year. So our rooms should be nice and fresh. The rooms will come with either a king size or two full size beds. You get to choose. The bathroom includes a hair dryer and the bathtub is hydro-massage. Other room amenities include Wi-Fi, a stocked mini bar, coffee and tea making facilities.

The beach is deep with shady palm trees growing in sugar white sand. But don't be afraid to venture directly to surfside where the blue water extends well beyond your distant view. It's your choice, just lay back and enjoy or soak in the crystal waters. You can't go wrong either way.

Punta Cana offers other great activities. Our group will plan several day excursions that may include options for zip lining, catamaran island exploration, swimming in cenotes and horseback riding on the beach. Punta Cana is known for its golf courses. If you are an avid golfer, I'd like to find a volunteer to lead a group. The activities outside the confines of the resort will be a la carte. Anyone can decide what they want to do and when to do them. I'll help with that.

\*Our official club drink will be the Mamajuana! Tradition has it that Mamajuana should be the very first drink consumed upon your arrival! This herbal drink should get everyone in the mood for fun. Mamajuana is a concoction made from rum, red wine and honey soaked with special tree bark and herbs. But forget the recipe. You just need to know the Dominicans consider this an aphrodisiac. You be the judge! Or just take some back home for medicinal purposes. Ha!

\*\*Airfare: The ski club is offering this trip as a land only package at this time. The intent is to offer a group airfare package for those wishing for the club to make those arrangements. I will support you either way whether you wish to book your own or to take advantage of the group airfare. Southwest is my preferred Airlines although I may check with others. I've talked to the Southwest Airlines group department and the agent suggested airfares for our May 2019 departure may not be available until October or early November. Relax. That's still about 6 months out

from our travel date. For now, I'll make a list of names interested in the group airfare. The airfare price above is strictly an estimate although it is an actual airfare price for February and March 2019.

We start our journey by flying into Lisbon and we stay there for two nights in a four-star hotel. We then travel to Fatima and sightsee in Coimbra and then board the brand new, exclusively chartered river vessel the *MS Emerald Radiance* for our seven-night river cruise along the Douro River. We also venture to Rodrigo, Vega Terron, and Salamanca, Spain. We end the Main trip in the home of Port wine, Porto, and fly back to the US. Or there is an optional three-night, four-day post trip to Barcelona for an

additional cost estimated to be \$1,489 which includes airfare but doesn't include a Barcelona city tax (approximately \$3 per person per day).
